

WORKFORCE SOLUTIONS

Helping employers meet their human resource needs and individuals build careers, so both can compete in the global economy.

SERVICES FOR EMPLOYERS

On-the-Job Training

Offers participants an opportunity to earn as they learn, while employers benefit from a 50-75% wage reimbursement during a 400-650 hour training period. The estimated cost per trainee is \$3,000.

Skills Development Fund

Provides financial support for training to help employers build their skilled workforce by collaborating with a community college or public technical college. Employers may receive up to a \$500,000 wage reimbursement over a 12-month period. The estimated cost per trainee is \$1,800.

Skills for Small Business

Helps employers with fewer than 100 employees fill skills gaps by paying the tuition and fees for employees. Employers may receive wage reimbursement over a 12-month period with an estimated cost of \$1,800 per new trainee and \$900 per current trainee.

Skills for Veterans

Pays tuition and fees for employees that are military veterans to take courses from the existing course catalog of a partner community college or public technical college. Employers may receive wage reimbursement over a 12-month period with an estimated cost of \$1,800 per trainee.

Services also include: Providing space for hiring events, recruiting, pre-screening/interviewing, registered apprenticeship assistance, outplacement support and facilitating customized training incentives for current and future workers.
